Dear Chairman Boozman and Ranking Member Klobuchar:

On behalf of the undersigned organizations representing America's meat and poultry sector, we write to thank you for your support and work drafting the Farm Bill.

Each of our organizations supports the current bill as outlined. However, if any amendments are included that impede the free market or would negatively impact the way livestock or poultry are contracted or marketed, our support would be jeopardized. Disrupting these long-standing marketing arrangements would impose significant new costs on producers, processors, and consumers.

We appreciate your leadership and stand ready to assist as this important bill advances.

Please let us know if you have any questions.

Thank you,

National Cattlemen's Beef Association
National Chicken Council
National Pork Producers Council
National Turkey Federation
Meat Institute
